

Wildlife for Everyone Foundation Scholarship Application

Purpose – The purpose of the scholarship fund is to inspire the next generation of conservationists by presenting opportunities for students to deepen their connection with nature and wildlife.

Award – 4-\$500 scholarships will be awarded annually. Award recipients will also receive a one-year membership to the Wildlife for Everyone Foundation. Awards may be used to support expenses related to education or for participation in natural resource-related conferences, workshops, field experiences, books, etc. Recipients will be asked to participate in at least one (1) Wildlife for Everyone Foundation event during the calendar year of the award and to write a short summary of how the funds were used.

Requirements – Students enrolled in an accredited college or university in a 2-year, 4-year or graduate program who actively participate in natural resource and conservation activities such as hunting, fishing, birding, habitat restoration, research and monitoring are eligible. Selection will be based on multiple factors including participation and outreach in natural resource-related activities, academic success, career goals and demonstration of leadership and communication skills. Previous scholarship recipients are ineligible.

To apply:

Provide a resume and complete the scholarship application questions listed below. Email all information to Barbara Schroeder, Public Relations Coordinator, Wildlife for Everyone Foundation, barb@wildlifeforeveryone.org **by January 15, 2021.**
